Our Programs

The Studio offers the renowned Pivot Point™ Cosmetology and Hairstyling curriculum. Created by award-winning designer, Leo Passage, his "Scientific Approach" is a marriage of art and science with its roots in an architectural theory called Bauhaus. It teaches you to become a designer, not just a hairdresser. The Esthetics program was designed in conjunction with Dr. Clif St. Germain and Pivot Point to teach skin care from the inside out. Understanding the balance of life and overall health and well-being will allow students to choose a career path of medical esthetician or spa esthetician.

Professional Conduct / Attendance Policy

Experience clearly shows that success in school is tied to good attendance.

1. Students must attend at least 80% of their offered hours.
2. Students must be clocked in and seated in class by the posted start times for their class. If a student is more than 7 minutes late, based on the school's clock time, the student may not attend or be clocked in during the first hour that day. If a student is more than 7 minutes late on a test day, they will receive a score of 0 on that test.
3. Inconsistent attendance may result in not being scheduled for client services until the student attends consistently.
4. Students must have their school issued badge with them to attend class. It is the student's responsibility to clock in upon arrival and clock out upon departure.
5. Students without their badge may:
 - pay \$3 to be manually clocked in / out that one day.
 - pay \$5 for a new badge
6. Leave of Absence (LOA) Policy

LOAs can be requested for any reason. Students with at least 100 hours of their program completed may take one LOA during their time of enrollment. The LOA must be at least 30 days in length and may not exceed 60 days. An LOA will not be granted if the LOA, together with any additional LOAs previously granted, exceeds a total of 180 days in any 12-month period. A written signed LOA request must be made to administration prior to the absence and include the reason for the leave. After the fact LOA's can be granted due to certain unforeseen circumstances

if the school documents the reason and the start date will be the first day the student could not attend. The start date of an after the fact LOA will be the first day the student could not attend. Granted LOAs are not withdrawals, and no refund calculation is required at that time. No additional charges will be applied for a granted LOA. Upon timely return from LOA, a student's contract end date will be extended by same number of calendar days taken in the LOA and documented with an addendum to the enrollment agreement signed by all parties. If a student does not timely return from an LOA or takes an unapproved LOA, they will be withdrawn with their last day of attendance as their withdrawal date for calculating a refund.

7. Make-up/Additional Hours

Students may not attend more than 110% of their normally scheduled hours.

Students must obtain prior written approval from their educator to attend Make-up/Additional Hours

Pre-approved day students may attend 2 pm to 6:30 pm Monday and may stay until 6:30 pm Wednesday, Thursday and Friday

Pre-approved night students may start at 2:00 pm Monday, 3:00 pm Wednesday, Thursday and Friday.

Students must work on practical assignments or clients. Only 30 minutes of book work is permitted.

10. Students must clock out when they leave the school for any reason other than to retrieve items from their car.

Grading Policy / Graduation Requirements

Grading Policy

Students are assigned theory and practical assignments. Theory is evaluated by written exams given after each unit of study. Grades from 0 to 100% are assigned on the basis of the percentage of questions answered correctly. Practical assignments are graded on a 0 to 100% scale based on the percentage of required steps/skills observed and counted toward course completion only when graded 70% or greater. Practical skills are evaluated according to text procedures and performance standards established by the state licensing agency. In addition there are Mid-Term and Final Exams. The theory portion is graded as described above, the practical portion is graded on a 0 to 100% scale based on the percentage of required steps/skills observed.

Graduation Requirements

The student must successfully complete all phases of study, required tests, practical assignments; complete the state mandated course hours; maintain a grade point average of at least 70%; pass a final written and practical examination; complete all exit paperwork and make satisfactory arrangements for payment of all debts owed to the school. Upon graduation, the student will receive a Certificate of Graduation which will allow them to take the applicable AZ license exam.

Grading and Absences

Students who are absent during a written or practical exam, will need to make up the test prior to progressing to the next level. Make-up test scores of greater than 70 will be recorded as 70 on the student's transcript.

Student Services & Product Use Policy

Services

Students may receive services from other students under the following conditions:

1. The student providing the service must obtain prior approval from their educator and the supervising educator, if different.
2. The student receiving the service must be clocked out.
3. The student receiving the service may provide the consumables associated with the service. Those consumables must be of the same brand and match the products used at the school. In this case, the student receiving the service will not be charged by the school for the service.
4. The student receiving the service may have the school provide the consumables for the service. In this case, the student receiving the service will be charged 50% of the published standard fee for the service.
5. All services provided by students must be supervised by a school educator.
6. All student services must be completed by the normal class completion time and cannot continue into the Additional Time period.

Product Use

1. Student's may purchase retail products from the school and will receive a 30% discount off the marked price.
2. Student's may not use school products or supplies except as instructed by an educator as part of a class assignment.
3. Students observed using school products or supplies on themselves without an educator's permission will be charged \$5 per occurrence and may be suspended or terminated.

Satisfactory Academic Progress (SAP) Policy

The SAP policy is provided prior to enrollment and consistently applied to all students. Practical performances and test grades are cumulative and kept for each student. The academic year is 900 (26 academic weeks), clock hours. SAP reports will be reviewed with each Cosmetology student at 450 (13 academic weeks), 900 (26 academic weeks) and 1250 (36 academic weeks) completed hours, Hairstyling student at 450 (13 academic weeks), 900 (26 academic weeks) attended hours, Esthetics student at 300 (9 academic weeks) attended hours and each Educator student at 175 (5 academic weeks) attended hours. SAP reports for transfer students will be based on contracted hours. Students will be provided copies at that time. Grading is on a 0-100% scale, A=90-100%, B=80-89%, C=70-79%, D=60-69%, F<60%. SAP is defined as attending at least 80% of the offered program hours, maintaining a minimum theory grade point average of 70% and being on pace to complete practical and clinic requirements. Students must complete their program of study within 125% of the term of the Calculated Completion Date on their Enrollment Agreement. Accepted transfer hours are counted as both attempted and completed hours when determining when the allowable maximum time-frame has been exhausted.

Esthetics Nights: 6 months	Esthetics Nights: 8 months
Esthetics Late-Nights: 7 months	Esthetics Late-Nights: 8 months

Students who exceed the maximum time frame are terminated from the program. Students may then be permitted to re-enroll into the program on a cash pay basis in a manner consistent with the re-enrollment provisions of the institution's admissions policy.

Students that meet minimum requirements for attendance and academic performance are considered to be making SAP until the next review period. Only students that maintain SAP are eligible to receive Title IV assistance. If a student does not maintain SAP, they will be placed on Warning until the next review period and will be advised in writing of actions required to reestablish satisfactory progress. A student will be deemed to be making SAP while on Warning and will be eligible to receive financial aid during the warning period. If a student fails to achieve satisfactory progress by the next evaluation, they will be notified in writing that they are no longer making SAP, are no longer Financial Aid eligible and are subject to termination by the school if they do not successfully appeal the determination. A student may appeal a determination of unsatisfactory progress on the basis of record error, injury, illness, death of a relative or mitigating circumstance by submitting a signed, dated "SAP Appeal Form" to the School Director within 14 days of the determination indicating what will change to allow achievement of SAP. For the appeal to be granted, it must be possible for the

Academy of Beauty

student to meet SAP standards by the next SAP evaluation period. A written decision will be provided to the student within 14 days of the appeal and a copy will be retained in their file. The School Director's decision is final. Upon successful appeal, a student will be placed on Probation and their eligibility for aid will be reinstated for one payment period. LOAs and PTOs do not affect a student's Satisfactory Progress. LOAs extend the student's contract end date and maximum timeframe by the number of days taken in the LOA. Students that withdraw, terminate or take an LOA retain their prior SAP status on re-entry. Course incompletes, repetitions, and non-credit remedial courses have no effect on the institution's SAP standards. SAP Reports are available from the school director.

Students will be advised periodically regarding their progress towards meeting graduation requirements. No housing assistance is available.

If student (or in the case of student under legal age, his/her parent or guardian) cancels

enrollment in writing within three business days of signing the enrollment agreement, all monies collected by the school will be refunded, with the exception of the non-refundable application fee, even if the student has begun classes. If a student cancels the enrollment more than three business days after signing the contract but prior to starting classes, a refund of all monies paid to the school less the application fee in the amount of \$50 will be made. If a program is canceled subsequent to a student's enrollment, and before instruction has begun, the school shall at its option provide a full refund of all monies paid or provide completion of the program. If the school closes permanently and ceases to offer instruction after a student has enrolled, and instruction has begun, the school will provide a pro rata refund of tuition or participate in a Teach-Out Agreement. For students who enroll and begin classes but withdraw prior to course completion (after three business days of signing the contract), or are terminated, the following schedule of tuition earned by the school applies and will be calculated based on the last date of attendance:

PERCENT OF SCHEDULED TIME ENROLLED TO TOTAL COURSE	TOTAL TUITION SCHOOL SHALL RECEIVE/RETAIN

Verification Policy

About Financial Aid Verification

The U.S. Department of Education selects a number of Free Application for Federal Student Aid forms (FAFSAs) for a process called verification. Yours may be selected.

If your FAFSA is selected for verification, The Studio Academy of Beauty (TSAOB) will need to collect additional documentation from you in order to verify some of the information you provided on your FAFSA. For example, TSAOB may ask for additional information about your income, the number of people in your household, the number of people attending college in your household and/or other information. This page will give you an idea of what to expect if your FAFSA is selected for verification.

How You Will Be Notified

When the Department of Education sends you the Student Aid Report (SAR), it will include an asterisk (*) next to the Expected Family Contribution (EFC). The asterisk lets you know that TSAOB will ask for documentation for the verification process.

One of our Financial Aid Advisors will reach out and notify you if you are selected for verification and what information the Department of Education has requested.

After you submit the requested documents to our Financial Aid advisor, we will ask you to come in and sign/date the required Verification Form.

Timeframe for Student Response

Financial Aid cannot be awarded until the verification process is successfully completed. As a result, students must successfully complete the verification process before their start date or make other payment arrangements.

Correcting Errors on the FAFSA

If the FAFSA information changes as a result of the verification process, your Financial Aid Advisor will:

- Direct you to update your FAFSA with the required changes
- Recalculate the Federal Pell Grant based on the student's recalculated EFC
- Notify you via Award Letter of any changes to that academic year's FSA package

- Adjust that academic year's FSA package based on the recalculated EFC

Verification Deadline and Failure to Submit

TSAOB will not award or disburse Federal Student Aid (FSA) until the verification process is complete. Failure to complete the verification process before your start date may result in a student not being eligible for FSA, in which case the student will need other means to pay for their program before being allowed to start.

Subsequent FAFSA Transactions

If you make changes or updates to your FAFSA, they will result in a subsequent transaction being sent to TSAOB. If the subsequent transaction is selected for verification or there has been a change in your EFC which impacts eligibility after federal student aid has been awarded or disbursed, you will be notified by your Financial Aid Administrator. You have 15 calendar days after the date of notification to submit all requested documentation for review. Failure to submit the requested documents within the 15-day timeframe will result in the cancellation of all need-based FSA and a requirement to make other payment arrangements or have your enrollment terminated.

Additional Review

To protect our students and the integrity of our institution, TSAOB reserves the right to select any student record for additional review. As part of the additional review process, the student will have 15 days to provide the requested documentation. TSAOB may request identifying information including, but not limited to:

- A valid, unexpired government-issued photo ID (color copy); and
- Address verification (in the form of a utility bill, rental statement, etc.)
- Official transcripts (high school and college)

Reviews will be evaluated on a case-by-case basis. If this information is not submitted or is unable to be confirmed, all need-based FSA will be cancelled and the student will be requirement to make other payment arrangements or have their enrollment terminated. Additionally, any information believed to be fraudulent will be forwarded to the U.S. Department of Education, Office of Inspector General, and/or other federal, state and/or local agencies for further investigation. Any questions regarding the process should be directed to the School Director.

I. Crime Reporting

To report a crime:

Contact School Administrators in person or at (480) 857-1138 – CHANDLER, (602) 841-5993 PHOENIX, (623) 225-9563 - TOLLESON (non-emergencies), dial 9-1-1- (emergencies only). Any suspicious activity or person seen in the parking lots or loitering around vehicles or inside the building should be reported to the Local Police department. In addition you may report a crime to the following School Administrators:

1. School Director	480-857-1138 ext. 101	CHANDLER
	602-841-5993 ext. 101	PHOENIX
	623-225-9563 ext. 101	TOLLESON
2. Student Services	480-857-1138 ext. 106	CHANDLER
	602-841-5993 ext. 106	PHOENIX
	623-225-9563 ext. 106	TOLLESON

The School Administration encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are public records under state law, the School Administration cannot hold reports of crime in confidence.

All reports will be investigated. Violations of the law will be referred to law enforcement agencies and when appropriate, to the School Disciplinary Committee for review. When a potentially dangerous threat to the School community arises, timely reports or warnings will be issued as described above.

Confidential Reporting Procedures

If you are the victim of a crime and do not want to pursue action within the School or the criminal justice system, you may still want to consider making a confidential report. With your permission, the Local Police Department can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the School can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the school.

II. Access Policy

During business hours, the School will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours access to all School facilities is by key, if issued, or by admittance via School Administration. In the case of periods of extended closure, the School will admit only those with prior written approval.

III. Policies Concerning Campus Law Enforcement

Campus law enforcement is conducted by local law enforcement agencies.

Students or employees who witness or are involved in any kind of criminal action or emergency and do not report the crime or emergency promptly may be subject to termination from enrollment or employment.

IV. Security Awareness and Crime Prevention Programs

During orientation personal safety, crime prevention and facility security are outlined. Students are told about crime on-campus and in surrounding areas. Similar information is presented to new employees.

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

In addition to seminars, information is disseminated to students and employees through crime prevention awareness packets as appropriate.

When time is of the essence, information is released to the School community through security alerts as indicated above.

***Tip:** To enhance personal safety, and especially after an evening class, walk with friends or someone from class that you know well, or call the Eagle Patrol Services for an escort.*

V. Crime Prevention

An orientation is held with new students and employees that, among other things, serves to inform them about strategies for crime prevention.

VI. Off Campus Student Organizations – Reporting of Criminal Activity

The Studio Academy of Beauty does not sanction or support any off campus student organizations.

VII. Sex Offender Registration

In accordance to the "Campus Sex Crimes Prevention Act" of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, the School is providing a link to the AZ Sex Offender Information website. This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries a vocation, or is a student.

The Arizona Department of Public Safety is responsible for maintaining this information. Follow the link below to access the AZ Sex Offender Information website.

CAMPUS SEXUAL MISCONDUCT POLICIES

1. Introduction

The Studio Academy of Beauty is committed to providing an environment for all students, faculty and staff that is free from sex discrimination, including sexual misconduct.

2. Scope of the Policy

This Policy governs sexual misconduct involving students that occurs on any Studio Academy of Beauty property or in connection with any school-sponsored program or event. This Policy applies to all students, employees, and third parties conducting business with The Studio Academy of Beauty, regardless of the person's gender, gender identity, sexual orientation, age, race, nationality, class status, ability, religion or other protected status.

3. Prohibited Conduct

Sexual misconduct comprises a broad range of behaviors focused on sex that may or may not be sexual in nature. Any intercourse or other intentional sexual touching or activity without the other person's consent is sexual assault, which is a form of sexual misconduct under this Policy. Sexual harassment and sexual exploitation, stalking, domestic violence, and dating violence are also forms of sexual misconduct. Intimidation for one of these purposes is sexual misconduct, as is retaliation following an incident of alleged sexual misconduct or attempted sexual misconduct. The definitions for specific acts of sexual misconduct can be found in the Definitions of Key Terms at the end of this Policy statement.

Misconduct can occur between strangers or acquaintances, or people who know each other well, including between people involved in an intimate or sexual relationship, can be committed by anyone regardless of gender identity, and can occur between people of the same or different sex or gender. **This Policy prohibits all forms of sexual misconduct.**

4. Options for Assistance Following an Incident of Sexual Misconduct

The Studio Academy of Beauty strongly encourages any victim of sexual misconduct to seek immediate assistance. Seeking prompt assistance may be important to ensure a victim's physical safety or to obtain medical care. The Studio Academy of Beauty strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation.

Reporting Incidents of Sexual Misconduct

Victims of sexual misconduct may file a report with the Local Police Department. Victims may also file a report with the Title IX Coordinator for their respective campus. More information about reporting an incident of sexual misconduct can be found in Section 6 of this Policy, below.

The victim of the sexual assault may choose to have the investigation pursued by the criminal justice system and The Studio Academy of Beauty's disciplinary procedures. The school and the criminal justice system work independently from each other. Law enforcement officers do not determine whether a violation of this Policy has occurred. The campus Title IX Coordinator will guide the victim through the available options and support the victim in his or her decision.

Support Services Available

Counseling, advocacy and support services are available for victims of sexual misconduct, whether or not a victim chooses to make an official report or participate in the school's disciplinary or criminal process. The Studio Academy of Beauty does not provide counseling or health care services. Personal

counseling offered by The Studio Academy of Beauty will be limited to initial crisis assessment and referral.

6. Reporting Policies and Protocols

The Studio Academy of Beauty strongly encourages all members of the school community to report information about any incident of sexual misconduct as soon as possible, whether the incident occurred on or off campus.

Reporting to the Institute

An incident of sexual misconduct may be reported directly to the campus Title IX Coordinator. If the campus Title IX Coordinator is the alleged perpetrator of the sexual misconduct, the report should be submitted to The Studio Academy of Beauty President. Filing a report with a school official will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgment from officers.

An individual who has experienced an incident of sexual misconduct may report the incident at any time, regardless of how much time has elapsed since the incident occurred. The Studio Academy of Beauty will respond to all reports in a manner that treats each individual with dignity and respect and will take prompt responsive action to end any misconduct, prevent its recurrence, and address its effects.

Reporting to Law Enforcement

An incident of sexual misconduct can be reported to law enforcement at any time, by calling 911. At the complainant's request, The Studio Academy of Beauty will assist the complainant in contacting law enforcement. If the complainant decides to pursue the criminal process, the school will cooperate with law enforcement agencies to the extent permitted by law. Filing a police report will:

- > Ensure that a victim of sexual assault receives the necessary medical treatment and tests
- > Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam)
- > Assure the victim has a referral to confidential counseling from counselors specifically trained in the area of sexual assault

Definitions of Key Terms

Sexual harassment and sexual exploitation, stalking, domestic violence, and dating violence are also forms of sexual misconduct. Intimidation for one of these purposes is sexual misconduct, as is retaliation following an incident of alleged sexual misconduct or attempted sexual misconduct.

Dating Violence: "Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.

- (i) The existence of such a relationship shall be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.
- (ii) For the purposes of this definition—
 - (A) Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
 - (B) Dating violence does not include acts covered under the definition of domestic violence."

Any incident meeting this definition is considered a crime for the purposes of Clery Act reporting. It is also a violation of The Studio Academy of Beauty policy and is prohibited.

Domestic Violence: "A felony or misdemeanor crime of violence committed—

- (A) By a current or former spouse or intimate partner of the victim;
- (B) By a person with whom the victim shares a child in common;
- (C) By a person who is cohabiting with, or has cohabited with, the victim as a spouse or intimate partner;
- (D) By a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or
- (E) By any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred."

Any incident meeting this definition is considered a crime for the purposes of Clery Act reporting. It is also a violation of The Studio Academy of Beauty policy and is prohibited. Examples of domestic violence and dating violence behaviors or activities directed against a family member, a household member, or a person one is dating or has dated include, but are not limited to: (1) violence or threats of violence (even in the absence of bodily injury); (2) negligent or reckless use of physical force; (3) conduct that may reasonably be expected to exploit or coerce another; (4) restraint; (5) prevention of another's ability to communicate or move freely by the use of threats, intimidation, abuse or physical force; (6) unauthorized entry and, specifically, uninvited threatening presence in another's room or office; and (7) other conduct intended to intimidate, manipulate, humiliate, terrorize, or isolate the other person. Domestic violence and dating violence can be a single act or a pattern of behavior in a relationship. Engaging in such behaviors or activities is a violation of The Studio Academy of Beauty policy and is prohibited.

Sexual Assault: "An offense that meets the definition of rape, fondling, incest, or statutory rape as used in the FBI's UCR program[.]" The Federal Bureau of Investigation's Uniform Crime Reporting Program defines these offenses as follows:

Rape: "The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim."

Sex Offenses: "Any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent.

A. Fondling—The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

B. Incest—Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

C. Statutory Rape—Sexual intercourse with a person who is under the statutory age of consent."

Sexual assault can be committed by any person against another person, regardless of gender, gender identity, sexual orientation, or past or current relationship status. Sexual assault may occur with or without physical resistance or violence.

Any incident meeting one or more of these definitions is considered a crime for the purposes of Clery Act reporting. It is also a violation of The Studio Academy of Beauty policy and is prohibited.

Stalking: "(i) Engaging in a course of conduct directed at a specific person that would cause a reasonable person to—

(A) Fear for the person's safety or the safety of others; or

(B) Suffer substantial emotional distress.

(ii) For purposes of this definition—

(A) Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property.

(B) Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim.

(C) Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.”⁷

Any incident meeting this definition is considered a crime for the purposes of Clery Act reporting. It is also a violation of The Studio Academy of Beauty policy and is prohibited. Examples of stalking behaviors or activities, when conducted in connection with the above definition, include, but are not limited to: (1) non-consensual communication, including face-to-face communication, telephone calls, voice messages, e-mails, text messages, written letters, gifts, or any other communications that are unwelcome; (2) use of online, electronic or digital technologies, such as posting pictures or text in chat rooms or on websites, sending unwanted or unsolicited e-mail or talk requests, posting private or public messages on Internet sites, social networks, and/or school bulletin boards, installing spyware on a person's computer, or using Global Positioning Systems (GPS) or similar technology to monitor a person; (3) pursuing, following, waiting for, or showing up uninvited at or near a residence, workplace, classroom, or other places frequented by the person; (4) surveillance or other types of observation, including staring and voyeurism; (5) trespassing; (6) vandalism; (7) non-consensual touching; (8) direct verbal or physical threats against a person or a person's family member, pet or personal property; (9) gathering information about a person from friends, family, or co-workers; (10) accessing private information through unauthorized means; (11) threats to harm self or others; (12) defamation and/or lying to others about the person; and (13) using a third party or parties to accomplish any of the above. Engaging in such stalking behaviors or activities is a violation of The Studio Academy of Beauty policy and is prohibited.

Coercion: The act of compelling or forcing someone to act based on pressure, harassment, threats, or intimidation.

Consent: For purposes of this policy, effective consent means words or actions that demonstrate to a reasonable person a knowing and voluntary agreement to engage in mutually agreed-upon sexual activity. Effective consent cannot be gained by threat, force, coercion or intimidation or by ignoring words or actions that indicate a lack of consent or objection to the activity. Consent to one form of sexual activity does not imply consent to other forms of sexual activity. Consent can be rescinded at any time. It is the responsibility of the person who wants to engage in the sexual activity to ensure that he or she has effective consent from any other person involved. Silence, lack of protest, or lack of resistance are not sufficient standing alone to establish consent. The actions of the individuals involved and the context in which those actions occurred will be considered in determining whether or not there was consent. The existence of a dating relationship or a past sexual relationship between the persons involved is not a sufficient basis to assume consent. Past consent between two individuals does not imply present or future consent to sexual activity.

Consent is not valid when a person is incapable of giving consent: (1) due to the person's use or consumption of drugs or alcohol; (2) when intimidation, threats, physical force, or other actions that are coercive are applied; (3) when a physical or mental condition is present such that the person cannot knowingly or voluntarily give consent; or (4) when a person is under the age of 16.

Alcohol-related incapacity results from a level of alcohol ingestion that is more severe than mere impairment, being under the influence, drunkenness or intoxication. Consumption of alcohol or other drugs alone is insufficient to establish incapacitation. The question of incapacitation is determined on a case-by-case basis using both objective and subjective standards and includes an

analysis of the objective behaviors of the person alleging sexual misconduct and whether the accused person knew or reasonably should have known that the person was incapacitated, or if the accused person played a role in creating the circumstances of incapacity. Whether the accused person knew or reasonably should have known the other person was incapacitated will be assessed in light of all relevant circumstances. Objective physical indications of incapacity include slurred speech, difficulty walking or standing, vomiting, and losing consciousness.

The use of alcohol or other drugs does not make a victim at fault for sexual misconduct. The use of alcohol or other drugs does not minimize or excuse a person's responsibility for committing sexual misconduct. Nor does the use of alcohol or other drugs minimize or excuse a person's responsibility for determining whether another person is capable of giving consent, as described above.

Retaliation: Retaliation against any person for reporting, supporting a victim, or providing information in connection with a complaint of sexual misconduct, domestic violence, dating violence, and stalking includes, but is not limited to: (1) pressuring a person to drop or not support a complaint; (2) encouraging a person to provide false and misleading information; (3) engaging in conduct that may reasonably be perceived to affect adversely that person's educational, living or work environment; (4) threatening, intimidating or coercing the person; or (5) otherwise discriminating against any person for exercising their rights and responsibilities under this policy. Depending on the particular circumstances, retaliation may also be unlawful.

Retaliation as defined here violates The Studio Academy of Beauty policy and is prohibited.

Sexual Misconduct: Any non-consensual act of a sexual nature, which may or may not involve physical contact. Sexual misconduct may vary in severity and includes a range of behaviors and attempted behaviors, including, but not limited to sexual harassment as defined in Policy 311, Non-Discrimination and Prevention of Harassment and Related Unprofessional Conduct.

Sexual misconduct includes sexual assault (as defined above) and also includes unwelcome sexual conduct that does not constitute sexual assault but is sexually violating in nature, such as nonconsensual physical contact of a sexual nature including, but not limited to, intentional contact of a sexual nature with the breasts, buttocks, groin, or mouth or contact of a sexual nature with any other body parts.

Sexual misconduct also includes sexually exploitative behavior and attempted sexually exploitative behavior. Examples of sexually exploitative behavior include, but are not limited to: (1) prostituting another person; (2) recording or capturing (through any means) images or audio of another person's sexual activity, intimate body parts, or nudity without that person's consent, and/or sharing this material without the other person's consent; (3) viewing or allowing or aiding others to view another person's sexual activity, intimate body parts, or nudity without the person's consent; and (4) sexual exhibitionism or exposure of one's genitalia in the presence of others without their consent.

Exception: The The Studio Academy of Beauty's prohibition of sexual exploitation is not intended to prohibit the use of sexually-explicit materials that are reasonably related to the The Studio Academy of Beauty's academic mission. Specifically, this section is not intended to proscribe or inhibit the use of sexually-explicit materials, in or out of the classroom, when in the judgment of a reasonable person the use of such materials appropriately promote genuine discourse, inquiry and learning.

Sexual misconduct as defined here violates The Studio Academy of Beauty policy and is prohibited.

GENERAL CRIME AND SECURITY PROCEDURES

Timely Warnings

In the event that a situation arises, that, in the judgment of the School Administration, constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. The warning will be issued verbally and/or in writing during theory class.

Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, the School Administration may provide those present with more immediate notification. Anyone with information warranting a timely warning should report the circumstances to the School Administration, by phone (480 857-1138) or in person to a School administrator.

Policy For Reporting The Annual Disclosure of Crime Statistics

The School Administration prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report is available from any member of the School administrative staff. This report is prepared in cooperation with the local law enforcement agencies surrounding our campus.

Campus crime, arrest and referral statistics include those reported to School Administration and local law enforcement agencies.

Each year, a notification is made to all enrolled students and employees that indicates how to obtain a copy of this report. Faculty and staff receive similar notification. All prospective employees may obtain a copy from a School administrator or by calling (480) 857-1138 – CHANDLER, (602) 841-5993 PHOENIX, (623) 225-9563 - TOLLESON.

Crime Reporting

To report a crime:

Contact School Administrators in person or at (480) 857-1138 – CHANDLER, (602) 841-5993 PHOENIX, (623) 225-9563 - TOLLESON (non-emergencies), dial 9-1-1- (emergencies only). Any suspicious activity or person seen in the parking lots or loitering around vehicles or inside the building should be reported to the Local Police department. In addition you may report a crime to the following School Administrators:

1. School Director	480-857-1138 ext. 101	CHANDLER
	602-841-5993 ext. 101	PHOENIX
	623-225-9563 ext. 101	TOLLESON
2. Student Services	480-857-1138 ext. 106	CHANDLER
	602-841-5993 ext. 106	PHOENIX
	623-225-9563 ext. 106	TOLLESON

The School Administration encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are public records under state law, the School Administration cannot hold reports of crime in confidence.

All reports will be investigated. Violations of the law will be referred to law enforcement agencies and when appropriate, to the School Disciplinary Committee for review. When a potentially dangerous threat to the School community arises, timely reports or warnings will be issued as described above.

Confidential Reporting Procedures

If you are the victim of a crime and do not want to pursue action within the School or the criminal justice system, you may still want to consider making a confidential report. With your permission, the local Police Department can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the School can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the school.

Access Policy

During business hours, the School will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours access to all School facilities is by key, if issued, or by admittance via School Administration. In the case of periods of extended closure, the School will admit only those with prior written approval.

Missing Person Notification Policy

The Studio Academy of Beauty does not offer housing options for students and as such has no reliable means to determine if students are absent by choice or other circumstance.

The Studio Academy of Beauty does, as a matter of policy, reach out to students who are absent via phone, text and other electronic means of communication provided by the student during enrollment at the school. When we are unable to reach an absent student for more than 24 hours, we generally take no action with local authorities unless, in the judgment of a school administrator, foul play is suspected. If foul play is suspected, the school will contact the local authorities to report the circumstances

surrounding the student's absence and support any subsequent investigation by the local authorities. If the school contacts local authorities regarding a student under the age of 18 and not imancipated, the school will contact their designated parent/guardian within 24 hours.

The Studio Academy of Beauty complies with the federal Drug Free Schools and Campuses Act (DFSCA) which prohibits the unlawful possession, use, or distribution of alcohol and illicit drugs by students and employees on the school premises or in conjunction with any off-campus school-sponsored activity. In accordance with federal regulations, The Studio Academy of Beauty's policy is included in our online disclosures, which is made available on our website: www.thestudioacademyofbeauty.com

To insure the Substance Abuse Policy is disclosed annually to students who enroll at a date after the initial distribution and for employees who are hired at different points throughout the year, the Substance Abuse Policy is included with the annual Campus Crime and Security Report, which is distributed to every student and employee annually. The Substance Abuse Policy is also included in the Employee Policies and Procedures Document which is provided to each employee upon hiring. The

school conducts a periodic review of this policy to determine the effectiveness of this policy and to ensure that disciplinary sanctions for violating standards of conduct are enforced consistently.

The Studio Academy of Beauty is an in-person educational environment where students are under the constant supervision of licensed educators while clocked in. This makes it easier to observe any violations of the Standards of Conduct.

Standards of Conduct

- No student or employee shall manufacture, distribute, use or possess alcohol, a controlled substance or drug paraphernalia while on the school premises or in conjunction with any off-campus school-sponsored activity.
- A student or employee may possess a controlled substance for their sole use while on the school premises or in conjunction with any off-campus school-sponsored activity if, and only if, it is authorized by law. Under no circumstance is a student or employee permitted to manufacture or distribute a controlled substance.

The Risks are Real

The pressures on adults are real. Building careers, buying homes, getting married, having kids, and trying to do it all well comes with a lot of pressure. COVID-19 has magnified the stress. Some turn to drugs to cope. Just because some drugs are legal, doesn't mean they are less dangerous.

Over time, the regular or habitual use of drugs becomes a crutch and only adds to the stress. Drugs can also cause other harms, including:

- Cocaine: Highly addictive, cocaine is involved in nearly one in five overdose deaths; its health effects include asthma, bowel decay, and increased risk of HIV.
- Methamphetamine (Meth): Meth causes devastating health effects, and sometimes death, even on the first try. Meth speeds up the body's systems to dangerous levels. Chronic users experience anxiety, confusion, insomnia, paranoia, aggression, and more.
- Prescription and illicit opioids: Highly addictive, the substances are the top cause of overdose deaths; health effects include confusion, nausea, constipation, coma, and brain damage.
- Marijuana: Even though it is legal in many states, studies link marijuana use to various negative outcomes.

Before the risks become real and before drugs turn your life—and your family—upside down, know there is help. You can quit.

The Rise of Drug Use for Adults Ages 26-49

While young adults ages 18-25 have the highest rates of drug use across the board, drug use among adults ages 26-49 is on the rise:

- The percentage of adults age 26 and older using marijuana daily or almost daily has nearly doubled since 2015.
- Cocaine use and death rates have risen; cocaine-involved overdose rates in the U.S. have risen annually since 2012.
- Meth use is on the rise and overdose death rates climbed more than five-fold for those ages 25 to 54 between 2011 and 2018.
- The nation remains in a prescription and illicit opioids crisis, as 81,230 drug overdose deaths occurred in the U.S.—the highest single year ever reported—in the 12 months ending in May 2020; most of the overdose deaths involved a prescription or illicit opioid.
